SECTION A - SUPPLEMENTAL INFORMATION

The purposes of this modification, P00003 to Contract W566HZV-05-C-0724 are:

1. To delete Attachment 3, DD254 in its entirety. As a result, the following changes occur:

The "Department of Defense Contract Security Classification Specification" (DD254) and all annex attachments A, B, C, D and E are deleted. They are being replaced with a new DD254 and annex attachments with the same requirements as were in the OTA Contract DAAE07-03-9-F001, with the exclusion of the SCI portion. A new DD254 to include SCI will supersede this one once signatures are secured.

2. To insert clause H-104, which has hereby been marked "Reserved". This action was thought to be executed under modification P00002; however, after modification signature, it was realized that the insertion of clause H-104 did not actually take effect.

These changes are being done with no additional cost to the Government. All other terms and conditions remain unchanged.
